EDUCATION

B COM
Bharathiar University

06/2019 - 07/2022   *Coimbatore,Tamil nadu*

SENIOR SECONDARY
SRC Memorial Metric Higher Secondary School

06/2017 - 05/2019   *Erode, Tamil Nadu*

PERSONAL PROJECTS

Contact Manager
- Developed a robust contact manager using Java, Spring Boot, and MySQL and Implemented CRUD operations (Create, Read, Update, Delete) for managing contact details.
- Learned to implement RESTful APIs for handling requests and responses. Enabling efficient data exchange between client and server
- Gained hands-on experience in connecting Java applications with MySQL databases, and understanding concepts of JDBC (Java Database Connectivity).
- Users can efficiently manage their contact details and can easily access and update information as needed.

Chat Application
- Developed a chat application with sender and receiver module using Spring Boot and webSocket.
- Personal one-on-one messaging and group chats are supported via individual messaging and chatrooms respectively.
- Once a connection is established, we can exchange information endlessly until the connection is closed by the user.
- The message data is sent over the request channel to the response channel by the Message Broker. Used STOMP to send a message to a particular user

WORK EXPERIENCE

Java Developer Intern
NextGen Solutions

02/2024 - 03/2024   *Cuddalore, Tamil Nadu*

Achievements/Tasks
- Interned at NextGen Solutions where I learned to Implement CRUD operations and RESTful APIs using Java, Spring Boot and MySQL.
- Implemented CRUD operations (Create, Read, Update, Delete) for efficient management of MySQL databases.
- Improved application performance by 15% with efficient implementation of RESTful APIs for handling requests and responses.
- Gained hands-on experience in connecting Java applications with databases and concepts of JDBC (Java Database Connectivity).

TECHNICAL SKILLS

Programming Language : Java

Frameworks and Tools : Spring Framework, Spring Boot

Web Technologies : JSP, Servlet, HTML, CSS

Database : MySQL

Version Control : GitHub

Others : API, Object Oriented Programming, JDBC

SOFT SKILLS

Problem-solving and Analytical thinking

Expert attention to details

Self-learning

CERTIFICATIONS

Full Stack Java Developer course
Appin Technologies, Coimbatore

Java Basics
LearnTube by CareerNinja

LANGUAGES

English
Professional Working Proficiency

Tamil
Native or Bilingual Proficiency
